Get off the beaten path and discover what makes the Yukon unlike any other place in the world. Rich living-history, stunningly unique geography and epic scenery await you at Canada’s last frontier. The vast regions, varied ecosystems, and sparse human population make the Yukon a haven for some of North America’s most impressive species. On that list are caribou, moose, mountain goats, grizzly and black bears, wolves, muskox, millions of migratory birds and many more.

Start your adventure in Whitehorse on this small group adventure in private van transportation with convenient access to pristine wilderness, must see natural attractions, culture, museums and top-rated restaurants. Experience the rush of Miles Canyon, travel the scenic South Klondike Highway, stop at majestic Tagish Lake and tour the impressive Yukon Wildlife Preserve and Macbride Museum.

Board the White Pass & Yukon Route Train, the Scenic Railway of the World on the Bennett Scenic Journey. This bucket list 120-mile round trip excursion departs from Skagway, AK and climbs from sea level to almost 3,000 feet at the Summit. The scenery is stunning with glaciers, panoramic mountain views, forested areas, gorges and waterfalls dotting the landscape as you travel to the historic town of Bennett.

Conclude your adventure in Dawson City, the heart of the Klondike Gold Rush with a real frontier feel. Wooden boardwalks, dirt streets and many original buildings make this a delight to explore. Join a docent in period-attire for an informative and humorous walking tour to learn about the restored buildings and the many characters that once lived here. Visit Robert Service’s Cabin, home of the “Bard of the Yukon” for many years. Indulge in Dawson City’s best dining a have a night on the town at Diamond Tooth Gerties – Canada’s first legalized gambling hall featuring The Cancan Show.
